MAKE A REAL IMPACT
THIS **SUMMER**

Help students Envision their future at our Career Exploration programs held on campuses throughout the country.

Envision by WorldStrides programs are designed to empower, engage, and equip next-generation leaders to realize the power of their potential with amazing hands-on career exploration, state-of-the-art simulations, and experiences our alumni call “amazing” and parents call “transformational.”

Inspiring Tomorrow's Leaders Today

Now more than ever, students, parents, and corporations are realizing the power of experiential learning.

Envision's summer programs help kids in grades 4–12 get hands-on experience with robots, drones, hearts, game development platforms, forensics, medical imaging technologies, and a whole lot more!

Each year, we hire hundreds of experienced educators and professionals who know just how valuable this kind of “outside the box” experiential learning can be in helping students find their passion and hone the skills they need for the future.

Join our team this summer!

Seasonal Team Members work with us during our world-class summer programs to facilitate curriculum and ensure a successful experience for our aspirational scholars. With over 25,000 students in cities across the U.S. every summer, our Seasonal Team Members play a key role in changing students' lives and delivering an unforgettable experience!

SEASONAL TEAM MEMBERS RECEIVE:

- ✓ Competitive salary for training and conference work
- ✓ Housing and meals for the duration of the program
- ✓ Special training sessions
- ✓ Unforgettable experiences and connections with like-minded educators
- ✓ The chance to have a lifelong impact on hundreds of students from around the world
- ✓ Continuing Education Credits (CEU)
