

UCB Multi-lingual Child Development Associate (CDA) Program

Classes starting in March so register now!

The Child Development Associate (CDA) Credential™ is the most widely recognized credential in early childhood education (ECE) and an important step to advance in the field. UCB's Multi-lingual CDA Program is designed to help students complete requirements for Massachusetts ECE teaching credentials while also preparing to earn this nationally-recognized qualification.

Program highlights:

- All courses taught in Mandarin and Spanish
- Complete coursework to become MA EEC teacher & Lead teacher certified as part of program.
- Courses can be completed in under a year.
- Tutoring and CDA test prep support available at no additional cost.
- All courses are part of UCB's ECE Associate Degree program.
- Students are able to create their CDA required Professional Portfolio as part of the program.

Required Classes* (5): ECE104-Child Growth & Development, ECE105-Observing, Recording and Assessing, ECE106-Guidance & Discipline, ECE107- Preschool Curriculum and ECE118-Resource File Development (CDA)

- *Please note that classes must be taken in this order
