

## Urban College of Boston Summer 2020 Course Schedule

In keeping with best practices and to maintain maximum flexibility for our faculty and students during this uncertain time, all classes in the summer session will be delivered remotely and without meeting times. This delivery method is sometimes referred to as "asynchronous", which means that faculty deliver content remotely and students do their work with limited or no real-time interactions. Five-weekend mini-sessions will continue to be held for a specific timeframe (Friday 6-9, Saturday 9-3). Faculty may require students to be online or on the phone at specific times but those should be less frequent and more flexible than a typical course.

***Please be aware that additional sections will be opened as needed.***

### Full Semester Summer Classes

#### Monday, June 8-Wednesday, July 29

*CIS100 - A	Computer Basics

#### Notes:

\*CIS100-A: It is strongly recommended that students have at least one year of experience using computer programs such as Word, Excel, and Powerpoint. Students in this course must have internet access and a computer or laptop.

\*\*Students graduating in summer 2020 will be given enrollment priority for all internship courses. These courses may be cancelled if placements and observations cannot be completed due to the pandemic.

\*\*\*Students who enroll in ECE120 must have completed ECE119 or a comparable CDA course.
